(a) *Postage Evidencing Systems* regulated by part 501 produce evidence of prepayment of postage by any method other than postage stamps and permit imprints. A Postage Evidencing System is a device or system of components that a customer uses to generate and print evidence that postage required for mailing has been paid. (d) A *provider* is a person or entity authorized under this section to manufacture and/or distribute Postage Evidencing Systems to customers.

(e) A *manufacturer* of postage meters produces postage meters.
